Late Payment of Tuition

Timely payment of tuition is important. Tuition not paid by the 5th of the month results in a \$50 late fee. If tuition is not paid by the 10th of the month, we ask that you meet with us to discuss the situation. If there are extenuating circumstances, we will work with you to arrange a payment plan. While Excellence Academy believes in working with families to resolve payment issues, we reserve the right to terminate enrollment if tuition and fee payments are over 15 days past due, until payment arrangements are made with the Administration.

Returned Check Charge

There is a \$30 charge for all returned checks. After two returned checks, payment must be made in cash, until further notice from the Administration.
